## What to expect:

- Overview of relevant EU and EIT Urban Mobility funding opportunities for 2026–2027
- Focused discussion tables to explore concrete call topics
- Early consortium building and partner matching
- Direct access to Nordic+ and EIT Urban Mobility networks

This brokerage event is designed to be efficient, practical, and action oriented.

### Format:

- Five themed discussion tables, each linked to a specific call
- Each table session lasts 20 minutes
- Participants rotate between tables
